RECEPTION ROOM HOTEL PARLOR.

We would you not to permit our remarkable offer to conflict in your mind with other such offers that have been made at Drug Stores and other such places by men who were not responsible nor established anywhere nor do they claim to be; as to ourselves we are located and established both. We guarantee our work and glasses both for 5 years in writing and as to the responsibility of our guarantee we give bankable references to those desiring same. These glasses we are advertising are the kind that usually sell at most optical establishments at \$5.00 and in some cases even more. This is the first time to our knowledge that such an offer has been made by responsible parties who will stand back of their work and who cannot be branded as fakirs as some have. We will make these prices **THIS VISIT ONLY** and no more. Call and see us and we will show these special prices can be made. You are not obliged to buy glasses and all **EXAMINATIONS ABSOLUTELY FREE.**

Mrs. Bessie Walker Haney, and cute little daughter Dorothy, of New Albany spent few days last week with Dr and Mrs W C Walker.

Mrs Fannie Baskin has been at Van Vleet helping nurse her mother, Mrs Howell, who has been quite sick a while.

Misses Pauline and Anice Newell, Lily Patterson, Carrie Lee, Stella and Susie Harris returned last week to their work as teachers.

Miss Rena Ferguson is visiting relatives at Reform, Miss.

Mr and Mrs Collier Tedford have moved to Houlika from Sledge, Miss. Houlika welcomes them with the glad hand. "Make yerself ter hum."

Mr Van Roberts father of T R Roberts, is very sick with pneumonia at the John Laker home. Here's hoping Mister Roberts you will soon be "Vigorous Van" again.

Miss Bert Thompson, one of our popular and efficient teachers, was called to the bedside of her father at Blue Mountain few days ago.

W F Herndon is improving fast from a severe attack of pneumonia. His many friends are glad to know he fought the big fight and won.

Jesse Jones and family who have been living about a mile south of Old Houlika has moved to the house near Furman Harris that belongs to Miss Millie Ivy of Okoloma. Mr. Mathis and family will occupy the Jones old home.

Mrs L A Turner is now sick with a severe case of Grippe. Kindest wishes for her recovery.

Miss Mattie Johnson of Red Land died Tuesday afternoon at three o'clock at the home of her sister-in-law Mrs Laura Johnson. She was 78 years old and leaves a brother, Thomas Johnson of Algoma and a sister, Miss Lizzie Johnson of Vardaman. Complicated troubles caused her death. We offer sincere sympathy to the bereaved relatives.

Dr John C Walker was quite sick for few days last week.

J B Alford, our expert jeweler has returned from a ten day visit to his Cumberland homefolks.

Mr Tom Marion of Allen, Texas, returned to his wind swept, black land home this week after a visit of three weeks with his brothers, sisters and numerous relatives in the community. He is the same "good old Tom," fat and happy. He told us that he thinks of Mississippi and Houlika every day and just couldn't leave without taking with him a few gallons of his brother Will's famous sorghum molasses. His wife, who was Miss Sallie Hobson, is now in the best of health. They have five children—one boy, Frank as large almost as his father. We bid him Godspeed and happy wishes for success.

Mr Willie Frank Brown and family of Gershorn will shortly move to Texas to make their future home. We regret to give up this substantial citizen but yet we wish for him and family the best of health and success to be found in the Lone Star state.

Mrs H H Roberts spent a week with her mother Mrs Doc Freeman at the old Winter farm six miles west of Houlika.

Mrs Sallie Harrell is still improving from her fall last November.

SUPERVISOR NORMAN ON THE JOB

Messrs Walter Peden and Cliff Bishop are now working the road under Supervisor Norman's instructions. We certainly hope that the people of Beat 2 will cooperate with Mr Norman in his endeavor to keep the roads in good shape for the next four years. It is the special request of ex-supervisor Boyd that all the people earnestly get together and help Supervisor Norman to keep the good work going winter

and summer. He desires that no man kick about what is done and what is not done, for no man can please every man. Lots of times an officer can't do good work because he is harrassed and kicked and cuffed by a bunch of men whose occupation mostly is finding fault with the other fellow. If more kickers would step into the boots of the kicked for a day or two they would find out a FEW. So we believe and trust that these three men will be cordially helped to push along the work in this beat and will help to put down so much of this eternal knocking and kicking and fussing.

A Real Automobile for \$490.00 f. o. b. Factory.

Now listen! In announcing to the public our Agency for this wonderful little car, we wish to state that it is our intention to carry these cars in stock at all times. We expect to handle them by the car load, which is six cars, but at the same time, we know that there is going to be a tremendous demand for this car when spring opens, and we know that it is not going to be possible for us to stock a sufficient number to supply the demand, and for this reason, we are going to suggest to our customers that you allow us to demonstrate the car for you, and after so doing, if you decide the car suits, and that the price is right, we would be glad to have your order soon as possible so that we can get the car in for you in time for your spring requirements.

Now remember, we do not only handle the cars, but we will also carry a large supply of repair parts at all times.

Either write or phone us, and our demonstration will be at your door and and will show you, and without any obligation on your part to buy. We know absolutely well that the car is a "winner", and if you will allow us to show you, we are willing to accept your decision.
